Water Well Registration

INSTRUCTIONS: Please fill out a separate registration form for each well. Please submit the form to the District at the above address, along with \$50.00 for each well that is **NOT** an "Exempt Well". An "Exempt Well" is defined by the District's Rules as "a well used solely for Domestic/Residential uses or for providing water for livestock and wildlife or poultry on a tract of land larger than ten (10) acres if the well is drilled, completed, or equipped so that it is incapable of producing more than 25,000 gallons of groundwater a day." No fee is required for registering an Exempt Well, but you are encouraged to registered your Exempt Wells in order that the District might gather as much data as possible about the wells and water resources within the District.
